

CAREER FAIR

February 2, 2018 10am-2pm
Schaumburg Convention Center, Schaumburg, IL

Get your company ready for the next hiring boom with the iLandscape Career Fair. Interact with hundreds of prospective employees on Friday, February 2, 2018.

The Career Fair will be held on Friday, February 2, 2018 at iLandscape. There will be hundreds of students at iLandscape on Friday for student career day and the career fair. The career fair is also open to the public and there is no charge to attend. ILCA will be advertising the career fair on Spanish radio to draw in Latinos and increase your pool of potential front line labor. It will be beneficial to have a Spanish speaking company rep at your table.

Participation in the Career Fair is limited to 50 companies. Companies must be ILCA members. If more than 50 companies show interest, a random lottery will decide the 50 companies that can participate, it will not be first come, first served. **To request a table, complete this form with payment and return it by December 1st.** You will be notified by December 15th if your company has received a table. Each participating company will receive a 6 foot table, 2 chairs, and name placard. Companies may distribute any materials they wish as long as they fit on top of the table. Floor displays are not allowed. Company reps can access the Career Fair area beginning at 8:00am on Friday morning to set up.
